**RJF AGENCIES CHOOSES SUCCEED MANAGEMENT SOLUTIONS
TO PROVIDE ITS CLIENTS WITH RISK MANAGEMENT TOOLS**

Top-Ranked Midwestern Agency To Use Succeed's Industry Leading Web-based Risk Management Center To Win New Accounts And Cement Existing Client Relationships

Wilsonville, Oregon, March 30, 2010 - Succeed Management Solutions LLC, the leader in web-based risk management solutions, today announced that Minneapolis-based RJF Agencies has elected to use Succeed's Risk Management Center to enhance its sales and improve client retention.

Succeed's Risk Management Center is a unique software platform used to develop and manage risk mitigation programs. The complete Risk Management Center includes software applications that automate many of the training, record keeping, reporting and data collection tasks required for compliance and for developing and managing successful risk mitigation programs. In addition, the platform includes a comprehensive library of safety, risk management and human resource materials.

Succeed brands its Risk Management Center platform to its partner agencies, helping these agencies deliver customized risk management programs and tools to their clients.

“Our clients are constantly looking for simpler, more effective ways to manage their compliance and training issues,” said Alan Wissbroecker, director of risk services for RJF. “Succeed’s Risk Management Center fills that need brilliantly. Employers using this product will see fewer risk management issues slip through the cracks and have more time to focus on higher-level issues and loss reduction strategies.”

“We are extremely pleased to have RJF as a partner,” said Slade Crooks, senior VP of sales and marketing at Succeed Management Solutions. “Their passion and focus on providing their clients with cutting edge resources and exceptional service makes them a perfect fit for implementing our risk management platform.”

By providing this valuable resource to their clients, agencies are able to differentiate themselves and deepen their client relationships. Agencies also find the platform valuable for winning new business by allowing them to offer additional value beyond what competitors can offer.
